RE: Alternate long-wall panel layout, Crandall Canyon Mine,
ACT/015/032, Emery County, Utah.

Dear Daron:

Genwal Resources, Inc. is requesting a minor amendment to our approved Mining and Reclamation Plan. Additional engineering and geotechnical analyses indicate that greater mine stability will be achieved using East West oriented long-wall panels instead of the North-South oriented panels.

Therefore, Genwal respectfully requests that Plate 5-2 be reviewed and approved as Genwals official mine plan for development and recovery mining. If you have any questions, please call me.

Sincerely,

Randolph B. Gainer, P.G.
